## Erratum

# Erratum to ‘‘The transport of Cu and Zn from agricultural soils to surface water in a small catchment’’<sup>☆</sup>

H. Xue<sup>a,\*</sup>, P.H. Nhat<sup>b</sup>, R. Gächter<sup>a</sup>, P.S. Hooda<sup>c</sup>

<sup>a</sup>Swiss Federal Institute for Environmental Sciences and Technology (EAWAG), Limnological Research Center, CH-6047, Kastanienbaum, Switzerland

<sup>b</sup>Vietnamese Institute for Tropical Technology and Environmental Protection (VITEP), 56 Truong Quoc Dzung Street, Phu Nhuan District, Ho Chi Minh City, Vietnam

<sup>c</sup>Center for Earth and Environmental Science Research, Kingston University, Kingston upon Thames, Surrey KT1 2EE, UK

---

The Publisher regrets the errors which occurred in the above referenced article. In the abstract for ‘much less Zn accumulated in the MS’ read: ‘much less Zn accumulated in the OS’.

In Table 4 the unit of DOC should read  $\text{mg l}^{-1}$ .
