Corrigendum

Corrigendum to 'Mapping the postharvest life of imported fruits from packhouse to retail stores using physics-based digital twins'

Kanaha Shoji, Seraina Schudel, Daniel Onwude, Chandrima Shrivastava, Thijs Defraeye*

Empa, Swiss Federal Laboratories for Materials Science and Technology, Laboratory for Biomimetic Membranes and Textiles, Lerchenfeldstrasse 5, CH-9014, St. Gallen, Switzerland

<Resources, Conservation and Recycling 176 (2022):105,914>

The authors regret that the graphical abstract has a much lower quality than the one that has been submitted. In addition, the supplementary material document is missing the references. The authors have included the supplementary material with references in the submission process and would like to request a replacement of the currently published one with the one with reference.

The authors would like to apologise for any inconvenience caused.
