Correction to: Plant and Soil

<https://doi.org/10.1007/s11104-023-06314-x>

The original version of the article unfortunately contained an error. Figures 5 and 6 were inadvertently switched. In addition, the “X-axis (probability)” referred to in the figure captions should actually be the “Y-axis (probability)”.

The original article has been corrected.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s11104-023-06314-x>.
